- B. Amount of 2005 Allowable Debt Levy
(Line 25 from County Tax Levy Rate Limit Calculation worksheet) \$ _____
- C. Total Allowable County Tax Levy (s. 59.605 County Tax Rate Limit)
(Line A plus Line B) \$ _____

Add amounts levied by the county that are not county-wide levies.

- D. Amount of 2005 county levy for library services. \$ _____
- E. Amount of 2005 county levy for matching bridge and highway aid. \$ _____
- F. Amount of 2005 county levy for health department. \$ _____
- G. Amount of 2005 county levy for veteran service officer. \$ _____
- H. Amount of 2005 county levy for other items not county-wide.
(Please identify) _____ \$ _____
- Do not include levies for disabled children's education.**
- I. Total Allowable County Levy including non-countywide levies.
(Line C plus Line D through Line H) \$ _____

Compare to County Levy Limit Amount

- J. Amount of 2005 Allowable Levy under s. 66.0602 Levy Limits
(Line 14 from County Levy Limit Worksheet) \$ _____

WARNING. The Actual County Levy cannot exceed the **LOWER** of Line I or J.

NOTE: Line A and Line B are the **Allowable** Levies under s. 59.605 County Tax Rate Limit. Be sure to calculate the total county levy using your proposed or actual 2005 operating levy and your proposed or actual 2005 debt levy on lines A and B. When using the proposed or actual levies **the total County Levy including non county-wide levies must be less than Line J or the county will exceed the County Levy Limit under s. 66.0602.**
